

We pray for Gertruda Domayo  
and all those who are hungry  
in Tanzania and around the world.

We pray that they will receive  
the nutritious food they need  
to lead healthy, productive lives.

## **God of all people,**

We offer you our Lenten journey.

May we learn to walk  
as one human family,  
remembering in a special way  
those who are poorest  
and most in need.

Bless our prayers,  
our fasting and our Lenten gifts.  
Through these actions, we show  
our love for your Son Jesus,  
and answer your call  
to love one another.

**Amen.**

We pray for Melvin Sánchez Ramírez and all farmers, especially those in Nicaragua. We pray that they may support their families through the fruits of the land, while protecting God's creation.

We pray for workers  
around the world,  
like Habibou Alassane in Niger.  
We pray that workers may find  
productive employment  
and earn fair wages for their labor.

We pray for families, like the Issas from Syria, who are forced from their homes by war, natural disaster and other tragedies. We pray that they may be welcomed with love and hospitality in new and foreign lands.

We pray for farmers' groups around the world, especially Hamuli Kahati and his neighbors in the Democratic Republic of Congo, that their work to treat crop disease means good harvests for their communities.
