

INDIA | OPTION FOR THE POOR

Today we met the Singh family from India, who take care of one another just like your family does.

Fill in the blanks to the sentences below.

My hope for the Singh family is _____

God, help me to care for others and follow Jesus' example by _____

Draw and color a picture of your family.

MY FAMILY:

ZAMBIA | SACREDNESS AND DIGNITY
OF THE HUMAN PERSON

We are all made in God's image and likeness. Think about a time that you were a good friend or cared for someone else. This is you seeing God in another person and upholding their dignity.

WHO did you care for? _____

WHAT did you do to care for them? _____

HOW is this like what Jesus would do? _____

Draw and color a picture to show how you care for others.

A large, empty rectangular box with a light gray background, intended for students to draw and color their response to the prompt.

EL SALVADOR | DIGNITY OF WORK AND THE RIGHTS OF WORKERS

Work is a very important aspect of life because it helps us to meet our daily needs. Each person should have the right to work in a safe place and earn what they need for themselves and their families.

Draw Fernando's dream of having his own business.

Fill in the blank and draw a picture of yourself doing your dream job.

My dream job is _____.

MEXICO | CALL TO FAMILY, COMMUNITY
AND PARTICIPATION

Write your ideas about how you can help those in need. Then, write a prayer.

I can help those in need in my community ...

at home by: _____

at school by: _____

around the world by: _____

My prayer for my neighbor in need is:

_____ Amen

ETHIOPIA | CARE FOR GOD'S CREATION

**We are all called to be good stewards,
which means to care
for all that God has created.**

On the three dotted rays
from the sun, write things
that God created.

**What can you do to take care of God's
gift of creation at school,
at home and around the world?**

Write your answers in the hills.

A large illustration of a landscape with rolling hills. In the top left corner, a sun is partially visible, with three dotted rays extending downwards. The hills are divided into three sections by curved lines. The top section is labeled "HOME", the middle section is labeled "SCHOOL", and the bottom section is labeled "AROUND THE WORLD". The sun's rays are positioned to fall on these three sections.
