Using your local 25% of CRS Rice Bowl Contributions

Catholic Relief Services allows (arch)dioceses in the United States who participate in CRS Rice Bowl to keep 25% of the collection in the local community to be used for local hunger and poverty alleviation projects. Below is information and guidelines about the use of this 25%.

Purpose: Catholic Relief Services believes that the 25% of CRS Rice Bowl contributions remaining in the dioceses serves to illustrate the importance of our global responsibility as Christians to assist those in need both in the United States and in other countries. The 25% enables participants to understand the plight of those most in need around the world through the experience of poverty in their own communities.

Procedure: The participating parishes and schools in your (arch)diocese may either send their contributions to the (arch)diocesan finance office or donate directly online at crsricebowl.org/give. Once your office has collected all CRS Rice Bowl contributions, the (arch)diocese should keep 25% and send the remaining 75%, clearly marked as "CRS Rice Bowl contributions," to:

Catholic Relief Services
CRS Rice Bowl
P.O. Box 17090
Baltimore, Maryland 21297-0303

In October, Catholic Relief Services will return 25% of all of the current year's CRS Rice Bowl contributions received directly from parishes and schools (e.g. online, in the mail) in your (arch)diocese to your office.

Suggestions for use: In keeping with the purpose of the 25% allocation, Catholic Relief Services requests that the 25% be used to support hunger and poverty alleviation programs in your diocese. The following are suggestions based on how some (arch)dioceses currently use their 25%.

- Establish a small grant program. Using small grants allows a variety of different organizations to benefit from this money. It is necessary to create criteria through which the grant applicants can be judged. It may also be helpful to establish a committee to evaluate the applicants.
- Help support a diocesan soup kitchen, food pantry or homeless shelter.
- Support the work of other local organizations in your diocese (e.g. Catholic Charities, St. Vincent de Paul, etc).
- Help with emergency food and shelter needs in the (arch)diocese.

Tips:

- Use projects supported by the 25% to promote CRS Rice Bowl in your (arch)diocese leading up to and during Lent. (e.g., articles or advertisements highlighting local projects supported by the 25%)
- Keep the CRS Rice Bowl staff updated on how your 25% is allocated.
