

Community Giving during Lent Changes Lives

We make the most impact when we take action with others. CRS Rice Bowl invites you to build a more just and peaceful world with your community. By giving as a community this Lent, you can help end global hunger and malnutrition. Community giving helps support families in more than 100 countries get access to enough nutritious food not only to survive, but to thrive.

Members of your community can participate by using CRS Rice Bowls at home throughout Lent and then making donations directly towards your community's Lenten almsgiving goal online on your customizable CRS Rice Bowl community giving page.

Create your CRS Rice Bowl community giving page using these 5 easy steps:

1. **Go to crsricebowl.org/communitygiving** to register and set your goal.
2. **Customize your page.** Consider writing the content in English and Spanish (or another language spoken in your community) to get more people involved.
3. **Invite your friends, family or members of your community to join.** Share the link on your social media page or in bulletins and newsletters.
4. **Download and share [CRS Rice Bowl](#)** stories, prayers, activities and videos to inspire and mobilize your community.
5. **Thank your community** for participating. Let them know how much money was raised and the difference their generosity will make in the lives of our sisters and brothers around the world.
